Your Two Option

01

Online

A fully online version where no in-person work is necessary. There is no requirement for you to travel to our education centre and complete practical work there. All assessment will be completed online and you will receive an accredited certificate swell .

02

Off-line

A fully offline course is where all theory and practical aspects are held in our academy.

With top of the art classrooms for every separate area, that hold the newest equipment and offer a unique approach for every student for their unique working style.

Our educators are ready and willing to meet you, with their long list of experience and knowledge as well as awards. Naetika Academy awaits you, we will be privileged if you learn with us.

You will learn about:

- The E-File
- Drill bits
- Correct working speed for different types of drill bits
- How to choose an E-file (the main points)
- Health and Safety
- Product removal (step by step)
- How to remove length
- How to remove lifting
- Correct speed,rotation and drill bits for work on the skin
- Practice building up your confidence with E-file work

Course Duration

In class - 1 day

Online - 3 month access

(Practical hours - 4)

(Theoretical hours - 6)

Offline Option

Start - 10am

Finish - 18pm

Lunch break - 13pm

On the day:

10am

- Q&A quick verbal test
- Tools and drill bits overview.

11am

- Practical part will be performed by E-file, we will pay closer attention to the drill bit angle and hand position. We will go through step by step to make sure the student feels confident and safe. We will perform product removal, length removal, basic cuticle work and natural nail preparation.

13:30pm

- Assessment work
- Work place cleaning.
- Tool preparation for tomorrow's work.
- Q&A

- Learning platform: <https://www.naetika4u.com>
- Lessons: 9
- Access: 12 weeks (3 Months)

High quality recorded lessons and interactive training. Take part in homework's, quizzes and games. You can enrol at any time and start the course immediately.

Please be aware that the 1st lesson is an Enrolment Form, once you complete this the tutor is required to grade the provided information and prepare all necessary documents for your certification.

These are also the details used to send out your student book. It may take up to 3 working days. You will get notification when this lesson will be graded by email. (Please check spam if you have not received this on your inbox)

Zoom

Your assessment will be complete throughout the program “Zoom”. You will have to perform a Zoom Assessment on all 4 techniques. Do not worry if you have now used zoom before there will be a test before the first assessment and a document showcasing all that you will need to do.

You will need to message your educator as soon as you start the course to book a date, if you don't do this at the earliest point possible the date you require may already be booked.

You will still receive a fully accredited certificate. This option is popular for those who are not able to or do not wish to travel to our academy.
